Mrs. Robert Edwards returned to Globe Sunday night after a four month sojourn on the coast.

Mrs. Skelly has returned from an extended visit with friends in Naco and resumed charge of her studio.

W. T. Rush is now occupying the position of stenographer and secretary to Supt. W. R. Martin, succeeding Jack Williams.

W. R. Martin, who has been ill for several days is still confined to the house but will probably be able to resume active duties next week.

F. F. Winters, formerly in the general offices of the Randolph roads at Tucson has succeeded Harry Rupkey as assistant agent at the local depot.

R. R. Byrd, night clerk at the local depot, has gone to White Oaks, N. M. on an important errand. When he returns he will present his bride to his Globe friends.

J. W. Williams, the genial and capable chief clerk to Supt. W. R. Martin, of the G. V. G. & N. has been called to Tucson to fill an important position in the general offices of the Randolph lines. He was highly commended by Mr. Martin to Col. Randolph, whose private secretary he will be.

COURT HOUSE EXODUS

General Move by Tenants to New Locations Nearby

The demolition of the court-house cannot be much longer deferred and several moves by the occupants took place on Monday. Judge Nave and the court attaches are holding sessions in the new Baptist church, near the corner of Oak and Sutherland streets.

County Treasurer Brookner has moved the effects of his office to the Brookner Co.'s store.

Justice Hinson Thomas may now be found in the frame building in rear of the old court house, formerly occupied by George R. Hill.

County Recorder Fisk will remove within a week or two and establish his office at his residence on Broad Street.

For the time being prisoners in the jail will be shifted about under guard as the exigencies of the case demand, but eventually some sort of temporary quarters will have to be provided.

Rooms for the District Attorney, law library, etc., will be provided in a new building being erected for the purpose on Sutherland street by Jack Newman.

Preparatory work is going ahead rapidly, the new cesspool nearing completion and a large quantity of building material being already on the ground.

CATTLE RANGE RATES

Information of Benefit to Cattlemen of the Territory

Forest Supervisor Breen has been recently advised that the article on grazing, first published in Colorado and reprinted in the local papers, to the effect that the price for grazing cattle and horses on forest reserves had been reduced to 10 cents per head and that all settlers would be allowed to graze 100 head of cattle and horses free, was unauthorized and no such ruling was made.

The question of price and other matter pertaining are now under consideration and no definite action will be taken until Dec. 10. The price eventually settled upon will be a reasonable one and the stockmen will have little reason for complaint.

In the matter of leasing pasture lands a more liberal policy will be pursued than at first contemplated. While the limit of 320 acres still stands lands will be leased to settlers living within or on the border of a reserve, to give them exclusive use of adjoining pasture during a portion of the year when needed for protection against outside stock grazed on the reserve.

While the area is limited to 320 acres it is not intended that the full acreage will be allowed unless really needed. This ruling is made for the benefit of settlers who need some means for saving a portion of the range adjacent to their homes for fall or winter pasture.
